

OPENING AN ABLE ACCOUNT STEP BY STEP

1st: Go online and google marylandable.org

2nd: Click on the section that says “Open Account”, then click Let’s go.

3rd: Type in your email address and check the 2 boxes agreeing to the terms and conditions.

4th: Answer the question that asks if you are the beneficiary

5th: Fill out the application section that lists name, address, phone number, email, work status, and job you do, and so forth.

6th: Fill out the eligibility section verifying that you became disabled before age 26, disability diagnosis code, is the disability permanent and so forth.

7th: Lastly, answer the question to verify your identify.

8th: Once you have your account set up you can link it to a check or savings account where you can make transfers. It's important to note that ABLE Accounts are all online. For example: If you walk into TD Bank, for example, they will not know what an ABLE Account is.
